

UNITED ELITE ALL STAR CHEER

TRYOUT INFORMATION PACKET 2023-2024

United Elite (UE) welcomes you to our Program! Our objective is to develop each athlete physically, mentally, and emotionally to ensure they will achieve success on and off the competition floor. Our athletes will learn how to work hard, set, and achieve goals, work through frustrations and setbacks, and work as a team. They will also learn the meaning and worth of dedicated effort. Athletes will have the confidence which comes with the knowledge that they can accomplish amazing things if they put their minds to it! At United Elite, athletes make lifelong friends and memories which will remain with them forever. Each of our athletes will build self-confidence through the positive reinforcement of our Staff.

As you review this information packet and consider becoming a competitive cheerleader at United Elite, we ask that you please read all requirements, including, but not limited to, attendance, financial and time commitments, policies, procedures, etc. Competitive cheerleading is a select team sport and is very demanding from a time and financial standpoint. It is a commitment that should not be entered into lightly. Please make sure you are capable and willing to commit to the mandatory practice schedule, competition schedule and financial responsibilities required.

We are interested in athletes and parents who will fully commit to this year-round sport and remain loyal to their team and the Program. With hard work, loyalty and dedication, together we can be successful and achieve great things!

ALL STAR CHEERLEADING OVERVIEW

The United Elite All Star Cheerleading Program is a twelve (12) month program. Athletes will begin training in May 2023 and continue through the end of May 2024. All Star Cheerleading is broken down into both competitive and non-competitive (show and exhibition) levels by age and ability. The United States All Star Federation (USASF) is the main governing presence in this industry, and United Elite will form teams based on their guidelines and criteria.

All Star Cheerleading teams are scored based on the execution and difficulty of their tumbling, jumps, dancing, tosses, motion technique, stunting, performance, unity, creativity, and choreography. Athletes will be placed on teams based upon their age and ability in these elements. There are times within the Program in which athletes will be placed on teams due to the necessity of a certain skill set or position. The goal is to structure successful teams with both age appropriate and skill appropriate athletes. The United Elite Staff reserves the right to place athletes at their discretion.

Attire:

Athletes are required to be dressed and ready to work out at the practice start time. There will be a set practice wear schedule for the season. This will include required specific white cheer shoes (see accessory list) and no show socks. Athletes are required to follow this schedule. There will be no private lessons provided to any team member who is delinquent in their team tuition, fees or Booster Club Dues. Fees for private lessons are due at the time of the lesson.

Insurance and Injuries:

Team members must provide their own medical insurance. Athletes must also report all injuries, including injuries that occur outside of the gym, to the coaching staff as soon as possible. The coaches can then make sure the athlete is protected from further injury during practice. Athlete and parent cooperation in injury prevention and reporting updates to the coaching staff is extremely important.

ATTENDANCE POLICY

All Star Cheerleading is a "SELECT" team sport. It takes a full commitment from both cheerleader and parents. All practices are mandatory. Athletes are allowed a summer vacation during the months of June, July and August. Please keep in mind, while we all need breaks from the demanding schedule, the summer is also a great time for growth for athletes and teams. We recommend that athletes do not miss more than two consecutive weeks during the summer months. Athlete summer vacation dates must be emailed to carol@uegym.com and copied to the athlete's team coach.

Practices can be intense prior to competition and extra practices will be scheduled as needed. Extra practices are mandatory. All athletes realize that by missing practice their team cannot work all baskets, stunts, pyramids, tumbling or transitions efficiently. Athletes that have poor attendance, extended illnesses, injuries, or excessive absences will be replaced. There will be no refunds.

The following excused and unexcused policy is not negotiable. If a cheerleader has five unexcused absences within the one-year commitment, he/she is subject to dismissal from his/her team. There will be no refunds.

UNEXCUSED ABSENCES: School electives such as, but not limited to, athletics, gymnastics, sports, band, theatre, choir, etc. Working, fatigue, personal issues, transportation, birthdays, schoolwork, homework, studying, social occasions, weddings, church occasions, family occasions, family time, etc.

EXCUSED ABSENCES: Mandatory Middle School and High School Cheer events. Mandatory school functions that result in a grade. This does not include chosen school electives or athletics. Death in the family, contagious illness which has been diagnosed by a physician and a physician's note is provided. Documentation/proof will be required for all excused absences.

The Attendance Policy goes into effect once the fall schedule begins Sunday, September 10, 2023 and will end after the last competition and/or event of the season. We will abide by the following policy for the 2023-2024 All Star season. You will be notified via email of any attendance fees. Your credit card on file will be automatically drafted for these fees on the due date.

3 tardies (more than 15 minutes late) = 1 unexcused absence.

3 unexcused absences = \$50 fee will be assessed.

4 unexcused absences = \$25 fee per absence will be assessed. **(After 3 unexcused absences you will be charged a \$25 fee for each and every additional unexcused absence.)**

5 unexcused absences will result in coaches' discussion regarding removal from the team.

Attendance will be taken daily at team practices and at any other required events. It is the parent's responsibility to notify coaches of any upcoming absences, if an athlete is sick, or going to be tardy. **Coaches and Director (carol@uegym.com) should be notified as soon as possible, prior to the absence or tardy, via email and the athlete's coach should be contacted by phone call or text.** Attendance is required at every practice, class and event unless excused by your coach for illness and/or injury. You must contact your coach and they will decide whether your athlete should attend practices, classes, events and competitions. You must provide a doctor's note. Injury or illness one week before competition may omit the athlete from competition as deemed necessary by the coaching staff. No fees will be refunded if your athlete is sick or injured. This also applies to Show Teams and Special Needs teams. The team and individual can only be successful with everyone at practice. It is the responsibility of the athlete to learn any changes they missed due to an absence, which may include extra practice time.

There are no make up classes or refunds for any missed practices for any reason.

Practice schedules will begin Wednesday, May 24, 2023. The Staff will continue to evaluate the athletes and teams to ensure teams are comprised for maximum success. During this continued evaluation period athletes may be moved to different teams. Athletes may also be asked to attend more than one team practice. This is at Staff discretion. **Pease note, just because an athlete can perform a majority or all of a particular level of tumbling skills does not mean he/she will automatically be placed on that same level team.** Placement decisions are made on a multitude of criteria. There are many elements to consider for All Star teams: tumbling, jumping, dancing, stunting and stunt positions, work ethic, dedication, experience, maturity, etc. We look for athletes who exhibit strong work ethic, dedication, superior attitudes, and the ability to be a team player. Our goal is to create strong teams which will produce effective results. We ask that you please trust our professional coaching staff's decisions.

The UE Staff reserves the right to move athletes to different teams at any point necessary throughout the duration of the season. Individual athletes must maintain the skills required for their team level. If required/designated skills are not maintained the athlete risks being reassigned to another team or being designated as a non-competing alternate. This applies to athletes who experience regression in skills and athletes who experience injuries which limit skills. Tuition is still required in full. The Staff also reserves the right to change the competitive division of any team at their discretion.
